

Republic of the Philippines
Department of Health
OFFICE OF THE SECRETARY

ADVISORY
ON ACCREDITED LABORATORIES FOR CHEMICAL WATER
ANALYSIS FOR DIALYSIS CLINICS

Pursuant to Section V.A.2 of **Administrative Order No. 2013-0003**, *“Implementing Guidelines in the Analysis, Monitoring and Maintenance of Water Used in Dialysis Facilities Pursuant to Administrative Order No. 2012 – 0001 known as “New Rules and Regulations Governing the Licensure and Regulation of Dialysis Facilities in the Philippines,”* only water laboratories accredited and recognized by DOH shall be allowed to conduct the tests for the presence of microbiological and chemical contaminants of water in dialysis facilities.

Further, the twenty (20) parameters for chemical analysis of the water at a minimum on one (1) sampling port of point of use shall be done before the initial operation of HDC and at least every six (6) month thereafter.

Hence, all owners of Dialysis Clinics and the general public are advised that only the following laboratories are accredited by the Department of Health to conduct the **chemical water analysis** for dialysis clinics:

NAME OF LABORATORY	ADDRESS	CONTACT NO.
Region 6		
JB Fastest Water Test Co.	78 Hechanova St., Nabitasan, Lapaz, Iloilo	033-5094164
National Capital Region		
Environmental Health Laboratory Service Coop.	50 Holy Spirit Drive, Don Antonio Heights, Quezon City	931-0838/ 426-2698
Mach Union Water Laboratory, Inc.	335 Alabang Zapote, Talon, Las Pinas City	871-3242/ 871-3250
National Reference Laboratory East Avenue Medical Center	East Avenue, Diliman, Quezon City	435-7136
Sentro Tek	208 Pilar St., Mandaluyong City	721-6500/ 721-0739

Please be guided accordingly.

ROLANDO ENRIQUE D. DOMINGO, MD, DPBO
Undersecretary of Health
