

REPUBLIC OF THE PHILIPPINES
INTER-AGENCY TASK FORCE
FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

RESOLUTION NO. 60-A

Series of 2020

July 30, 2020

WHEREAS, on March 16, 2020, to prevent the sharp rise of COVID-19 cases in the country, the President placed the entirety of Luzon under Enhanced Community Quarantine until April 14, 2020;

WHEREAS, on March 30, 2020, to develop a science-based approach in determining the risk-based classification of areas in the country, the Inter-Agency Task Force (IATF) convened a sub-Technical Working Group tasked to develop the LGU Epidemic Response Framework and to define parameters in assessing recent developments in the Philippine COVID-19 situation;

WHEREAS, on April 3, 2020, the IATF finalized the parameters for deciding on the lifting or extension of the Enhanced Community Quarantine in Luzon, which include trends on the COVID-19 epidemiological curve, the health capacity of the country, social factors, economic factors, and security factors;

WHEREAS, on April 30, 2020, the Office of the Executive Secretary issued Executive Order (E.O.) No. 112 Imposing an Enhanced Community Quarantine in High-Risk Geographic Areas of the Philippines and a General Community Quarantine in the Rest of The Country from 01 To 15 May 2020, Adopting The Omnibus Guidelines On The Implementation Thereof, And For Other Purposes;

WHEREAS, on May 27, 2020, the IATF released an updated risk classification in all Provinces, Highly Urbanized Cities and Independent Component Cities in the country, placing localities under different classifications of community quarantine with the goal of balancing economic activity and public health;

WHEREAS, on July 30, 2020, there are a total of Three Thousand Nine Hundred Fifty-Four (3,954) reported new cases in the Philippines;

NOW, THEREFORE, BE IT RESOLVED, as it is hereby resolved, that the IATF approves the recommendations of the IATF Screening and Validation Committee, as amended. Beginning 01 August 2020, the community quarantine classification of Provinces, Highly Urbanized Cities (HUCs), and Independent Component Cities (ICCs) based on epidemic risk level, economic, social, and security considerations, and the appeals and commitment of local government units (LGUs) shall be adopted:

1. The following provinces, HUCs, and ICCs shall be placed under Modified General Community Quarantine (MGCQ) until 15 August 2020:
