

NATIONAL COVID-19 VACCINATION OPERATIONS CENTER
AFP Commissioned Officers Clubhouse, Camp Aguinaldo, Quezon City

ADVISORY NO. 5
Philippine COVID-19 Vaccine Deployment and Vaccination Campaign
(BIDA BAKUNATION)

In line with the National Vaccination Operations Center's (NVOC) plan to efficiently allocate COVID-19 vaccines to frontline healthcare workers, all Medical Center Chiefs and Hospital Directors of the hospitals enumerated in Annex A are hereby enjoined to provide the NVOC with a final and validated head count of all their employees no later than **5:00 p.m., February 12, 2021**. This head count should include all cadres of human resources for health and outsourced employees and should be submitted through an official correspondence signed by the Medical Center Chief/Hospital Director as provided for in Annex B. The official correspondence must have an attachment of the line list of all the employees.

Finally, it should be noted that an increase in the head count from the initial submission will not necessarily mean automatic increase from the original allocation. Figures for submission will be used in further enhancing and improving the allocation considering the sensitivity of handling the Pfizer-BioNTech vaccine.

For strict compliance.

Thank you.

MYRNA C. CABOTAJE, MD, MPH, CESO III
Undersecretary, Department of Health
Chair, National COVID-19 Vaccination Operations Center
