PURCHASER'S SPECIFICATION		STATEMENT OF COMPLIANCE	
		<b>Bidders must state here either "Comply" or "Not Comply"</b> against each of the individual parameters of each Specifications stating the corresponding performance parameter of the equipment/item offered. Statement of "Comply" or "Not Comply" must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer's un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection.
