Advisory No. 17

Bakunahang Bayan: PinasLakas Special Vaccination Days: Reiteration of the Targets for the First 100 Days and Introduction to the Toolkit

This advisory is being issued to reiterate the targets set in relation to the Presidential Directives for the First 100 Days regarding COVID-19 Vaccination. The table below summarizes the F100 Days targets for your reference:

Age Group	COVID-19 vaccine dose administration	Target	
		% Coverage	Number of Individuals
A2 Senior Citizen (60 years old and above)	Last dose of primary series	90%	1,074,110
General Population (12 years old and above)	1st booster dose	50%	23,840,032

In relation to this, the granular COVID-19 vaccination targets for the first 100 days stipulated in Advisory No. 4 shall be retained and still in effect. Advisory No. 4 may be accessed through this link: <https://bit.ly/F100DaysTargets>.

In preparation for the **Bakunahang Bayan: PinasLakas Special Vaccination Days (SVD) on September 26-30, 2022**, the week-long national event which aims to intensify efforts to reach the national targets for COVID-19 vaccination, all national, regional, provincial, local implementing units and stakeholders are hereby enjoined to use the toolkit which contains materials and resources relevant to the event. This may be accessed at: bit.ly/BakunahangBayanToolKit.

For any concerns or issues related to this advisory, you may email c19vaccineopcen@doh.gov.ph, copy furnished the dpbsiplanning@doh.gov.ph.

This advisory is effective immediately, and for wide dissemination and compliance.
