**SUBJECT: Price Freeze of Essential Emergency Medicines and Medical Devices due to the Coronavirus Disease 2019 (COVID-19) Health Event**

---

The Department of Health (DOH) is mandated to monitor and regulate drug price as well as to ensure that consumers are adequately protected against profiteering, hoarding, cartels and the like that compromise their access to essential pharmaceutical products.

As stated in Section 6 of Republic Act no. 7581, “An Act Providing Protection to Consumers by Stabilizing the Prices of Basic Necessities and Prime Commodities and by Prescribing Measures Against Under Price Increase During Emergency Situations and Like Occasions”, it is the policy of the State to ensure the availability of basic necessities and prime commodities at all time.

Essential medicines and selected medical devices have been identified as a basic necessity especially in time of natural calamities and man-made disasters that put the health and lives of Filipino at risk because of unfavorable conditions that cause or aggravate disease which may lead to epidemics and massive death.

Due to the on-going global concern on the spread of Coronavirus Disease (COVID-19), the DOH hereby orders a Price Freeze on Essential Emergency Medicines and selected Medical Devices (Annex 1) in the entire country.

Thereby, Department Memorandum No. 2020-0058 dated January 31, 2020 and all its amendments are hereby repealed by this issuance.

Unless otherwise lifted upon determination by the Secretary of Health that the imposition thereof is no longer necessary.

For immediate compliance.
