Beat COVID-19 Today

A COVID-19 Philippine Situationer

Issue 02 | April 29, 2020

Highlights and Recent **Updates on COVID-19**

- Secretary of Health, Francisco T. Duque III briefed the League of Provinces of the Philippines (LPP) on Tuesday morning to rally the governors in their vital roles in the war against COVID-19 and in establishing a "new normal" afterward.
- DOH remains committed to reaching the following goals to combat the threat of COVID-19: (1) increase resilience, (2) stop transmission, (3) reduce contact rate, (4) shorten duration of infection, and (5) enhance quality, consistency and affordability of care provision.
- As of April 27, 37 health facilities have requested for additional healthcare workers under the DOH's emergency hiring program.
- DOH has now approved 989 slots for the Bureau of Quarantine and for five other hospitals: (1) Philippine General Hospital, (2) Lung Center of the Philippines, (3) Dr. Jose Rodriguez Memorial Hospital, (4) East Avenue Medical Center, and (5) Research Institute of Tropical Medicine. As of April 27, 310 healthcare workers were already hired by the said facilities.
- Nineteen (19) licensed laboratories across the country are now equipped to perform the Real Time - RT PCR tests. The combined testing capacity of the different laboratories can now reach up to a total of 6,320 tests per day.
- The DOH is set to capacitate laboratories with existing GeneXpert machines to do RT-PCR testing with Cepheid cartridges.
- The DOH and experts from the Philippine Society for Microbiology and Infectious Diseases (PSMID) are reviewing new reports of COVID-19 symptoms and clinical manifestations as reported by the Center for Disease Control.

PROBABLE: Previously termed as PUIs (mild or critical) with inconclusive or unofficial test results.

SUSPECT CASES: Previously termed as PUIs (mild or critical) with no test done or awaiting test results.

Goal: Shortening Duration of Infectiousness

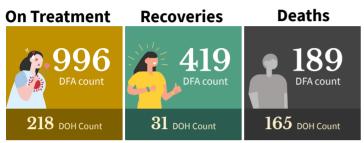

Case Summary of Overseas Filipinos (OFs)

As of April 28, 2020

427

DOH Counts validated through the International Health Regulation (IHR)

DOH Count: 13 cases for validation of disposition

REGIONAL DISTRIBUTION

As of April 28, 2020

TOP 5 COUNTRIES WITH OVERSEAS FILIPINOS WITH COVID-19 (DOH - IHR)

Cumulative data as of April 28, 2020

	JAPAN	117
*	MALAYSIA	94
C :	SINGAPORE	59
	ITALY	29
*	HONGKONG	29
	OTHERS	96

EPIDEMIOLOGICAL DATA

A. Healthcare Workers affected by COVID-19

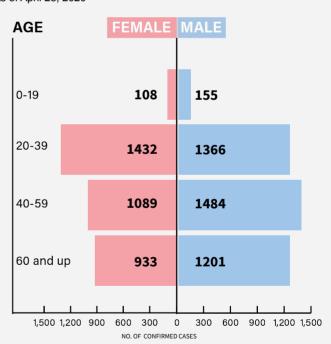

1,552
healthcare workers

1 out of 5 or cases

(20%) is a health care worker.

As of April 28, 2020

B. Age and Sex Distribution of confirmed cases As of April 28, 2020

Most of the confirmed cases are **male** (4,206, 53%) and within the **40-59 age group** (1484, 19%).

Average hospital length of stay for recovered patients is at **18 days.**

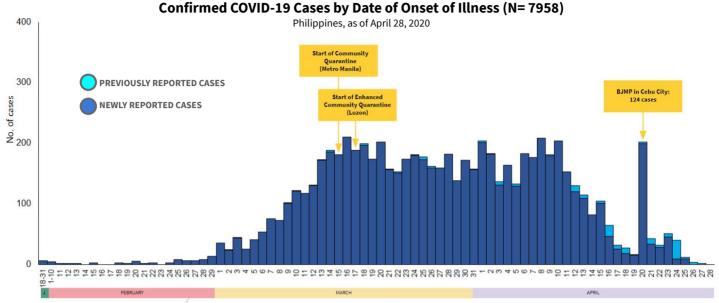

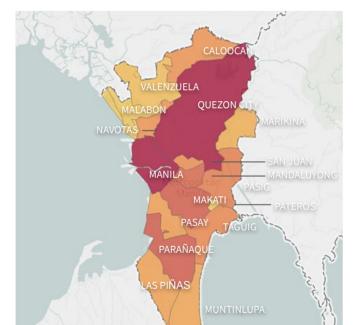

A total of **299** (56%) of deaths had known comorbidities: top 2 comorbidities are **hypertension** (193, 65%) and **diabetes** (147,49%).

Goal: Shortening Duration of Infectiousness

C. Epidemiologic Curve

Note: Case counts reported do NOT represent the final number and are subject to change after inclusion of delayed reports and review of cases.

Date of Onset Illness

- A total of **5446 (68%)** are confirmed cases from NCR
- Top 3 barangays: Tandang Sora, Quezon City (53);
 San Antonio, Parañaque (46) and Batasan Hills,
 Quezon City (46).
- Still too early to tell whether Enhanced Community Quarantine (ECQ) is effective as reporting delays from symptom onset take around 11 days, but initial imputation analysis seems to suggest that ECQ is keeping new case numbers steady.
- Recent surge of cases from Cebu City, also now has two of the largest non-Metro Manila clusters: Sitio
 Zapatera and Cebu City Jail.
- Also still too early to tell whether Luzon-wide ECQ is effective, but initial imputation analysis seems to suggest that ECQ is keeping new case numbers steady.

BEHAVIORAL MESSAGES OF THE DAY

- The DOH reiterated in its virtual presser its advocacy on promoting reproductive health rights, particularly providing family planning services, despite the ongoing enhanced community quarantine (ECQ).
- As some couples may not be able to visit their health centers for their regular family planning services and supply during the ECQ, the DOH reminded the public that there are still numerous ways they can avoid unwanted pregnancy. These measures include the following:
 - Acquiring three months' worth of supply of condom and pills, which could be provided by barangay health workers;
 - Getting family planning advice from midwives, nurses, and doctors through telemedicine hotlines;
 - Requesting for IUD insertion in operating health centers and civil society organizations; and
 - Seeking family planning services from the Commission on Population (POPCOM) via their hotlines: (02) 8782-9284, (02) 8531-6897, 0917-597-0770, or 0998-865-2810; among others.

WHEN DO I CONTACT THE BARANGAY HEALTH EMERGENCY RESPONSE TEAM (BHERT)?

These are the SEVERE SYMPTOMS you need to watch out for:

Difficulty breathing

Shortness of breath

Persistent pain or pressure in the chest

Mental confusion or changes in alertness

Drowsiness and/or difficulty waking up

Pale, bluish face and lips

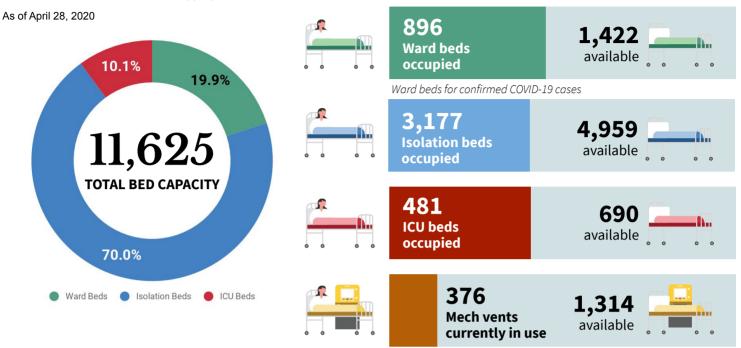

In case you experience any of the following severe symptoms, call your Barangay Health Emergency Response Team (BHERT) immediately. They will refer you to the appropriate facility close to your residence.

Goal: Enhance quality, consistency, and affordability of care provision

HOSPITAL BEDS AND MECHANICAL VENTILATORS DEDICATED TO COVID-19 CASES

Data taken from the DOH DataCollect App. Specific for COVID-19 cases.

TEMPORARY TREATMENT AND MONITORING FACILITIES (TTMF)

As of April 28, 2020

Number of patients isolated/ quarantined in Temporary Treatment and Monitoring Facilities:

NCR	4,228	REG VII	4,447
CAR	582	REG VIII	1,457
REG I	941	REG IX	1,224

RITM READY TO EVALUATE RDTs

The Research Institute for Tropical Medicine (RITM) is ready to evaluate rapid antibody-based diagnostic test kits (RDTs) for COVID-19 disease. In a letter received by the Food and Drug Administration (FDA) on 17 April 2018, RITM informed FDA that the Institute can now evaluate approved rapid antibody test kits "in the interest of national emergency, health, and safety." To know more about the difference between RT-PCR tests and RDTs, click on our Facebook album <a href="https://example.com/here-example.com/her

PHILHEALTH FOR ALL

In light of President Rodrigo Duterte's declaration of the State of Calamity and State of Public Health Emergency and the recent directive to implement an extension of the enhanced community quarantine in major cities in the country, PhilHealth remains one with the whole nation in ensuring the health and safety of all and prioritizing the protection of lives and livelihoods.

PhilHealth is issuing a moratorium on contribution payments for the applicable months of February to April 2020. Payment of premiums for these applicable months shall be extended until May 31, 2020 without interest for all Direct Contributors.¹

POLICY IN-FOCUS

Section 4(m) of the Bayanihan to Heal as One Act specifically provides that the President is vested with the power to engage temporary Human Resources for Health (HRH) to respond to the threat of COVID-19.

To give directions and guidance, the DOH issued Interim Guidelines on the Grant of Special Authorization to Medical Graduates. Learn more about the issuance in our <u>FAOs</u>, or access the Department Memorandum <u>here</u>.
