BEHAVIORAL MESSAGES OF THE DAY

- As the country ushers into the New Normal era, minimum health standards are essential to keep everyone healthy and safe. As we gradually shift from MECQ to GCQ, some public transportation will already be available. Commuters are advised to do the following:
 - maintain physical distancing inside the vehicle;
 - report overcrowding to the Department of Transportation;
 - wear face masks at all times;
 - practice hand hygiene and;
 - proper coughing manners.
- Those who have illnesses are discouraged from commuting to avoid possible spread of disease. Call DOH telemedicine hotlines: 02-894-COVID (02-894-26843) and 1555, if you need medical advice. Licensed and certified doctors will provide telemedicine consultations.
- For repatriates travelling back home, physical distancing and wearing of mask must be strictly observed in waiting areas of airports, seaports, and bus terminals.
- Everyone is enjoined in applauding and appreciating our frontline workers to recognize the long hours they spend on providing care for everyone.
