

Beat COVID-19 Today

A COVID-19 Philippine Situationer

Issue 58 | June 24, 2020

Total Cases as of 23 June 2020

31,825

+1,150 (789 Fresh, 361 Late)

Active Cases (net of recoveries and deaths)

22,197

+835

Recovered

8,442

+299

Died

1,186

+9

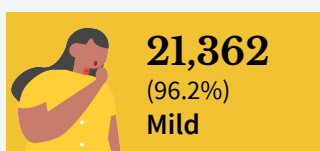

Breakdown of Active Cases

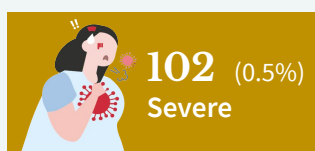

710 (3.2%)
Asymptomatic

A patient with an RT-PCR confirmed case of COVID-19 without symptoms.

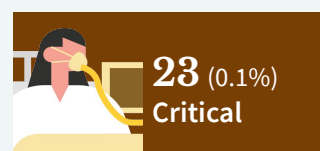

21,362
(96.2%)
Mild

A patient with mild symptoms and stable vital signs. Unless the patient belongs to high-risk subgroups or has comorbidities, they are often not admitted to a treatment facility.

102 (0.5%)
Severe

A patient with difficulty breathing, altered mental status, considered high-risk or in need of hospital care.

23 (0.1%)
Critical

A patient with impending or ongoing respiratory failure, in need of mechanical ventilation, or with evidence of end-organ damage.

Note. A person who is classified as having a mild case of COVID-19 but is considered high-risk due to age or the presence of comorbidities must be admitted to a treatment facility. Severe or critical cases must be admitted to a treatment facility, regardless of inclusion in high-risk subgroups or presence of comorbidities.

1,278

Probable Cases as of 23 June 2020

Previously termed as PUIs (mild or critical) with inconclusive or unofficial test results.

3,452

Suspect Cases as of 22 June 2020

Previously termed as PUIs (mild or critical) with no test done or awaiting test results.

Breakdown of cases per region

Top confirmed regions by active cases

NCR	9,510
Region VII: Central Visayas	5,763
Region IV-A CALABARZON	1,078
Region III: Central Luzon	398
Region VIII - Eastern Visayas	270

Top regions by newly-announced fresh cases

Region VII - Central Visayas	289
NCR	252
Region IV-A - CALABARZON	33
Region VI - Western Visayas	11
Region III - Central Luzon	9

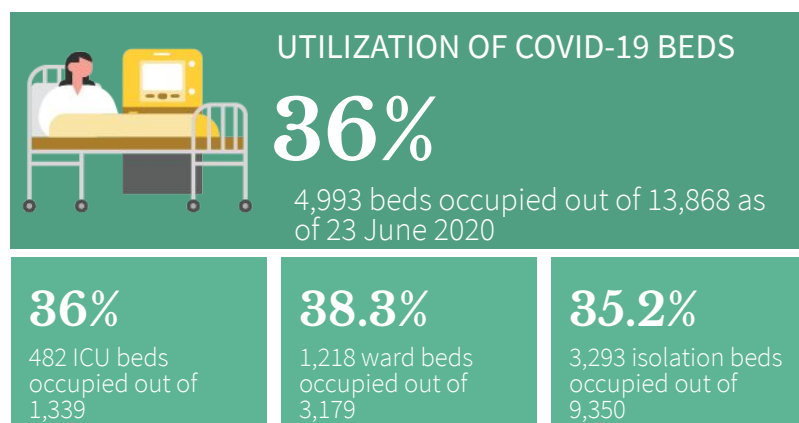

Top confirmed provinces/ cities by active cases

Cebu City	3,779
Quezon City	1,369
City of Manila	1,188
Cebu Province	830
Caloocan City	490

Top provinces/ cities by newly-announced fresh cases

Cebu City	154
Cebu Province	67
Mandaue City	53
City of Manila	26
Quezon City	19

Note. Data on healthcare workers affected by COVID-19, testing capacity by laboratory, equipment utilization, and LIGTAS COVID facilities will be included in the full situational report every Sunday.

Note. The number of confirmed severe and critical cases may not necessarily correspond to occupancy of ICU beds and mechanical ventilators as suspect and probable cases in severe or critical condition also utilize these resources.

TOP SEA COUNTRIES BY CONFIRMED CASES

	Indonesia	47,896
	Singapore	42,432
	Philippines	31,825
	Malaysia	8,590
	Thailand	3,156
	Vietnam	349
	Brunei	141
	Cambodia	130
	Laos	19

DAILY TESTING STATISTICS AS OF 23 JUNE 2020 (TUESDAY)

Daily Samples tested	Daily Individuals tested	Positive tests	Positivity Rate	Testing backlogs
13,053	11,956	674	5.64%	2,983

COMPLIANCE
OF LABS

53/60

As of 6pm

CUMULATIVE TESTING STATISTICS

Cum. Samples tested	Cum. Individuals tested	Cum. Positive tests	Cum. Positivity Rate
631,063	580,667	40,084	6.9%

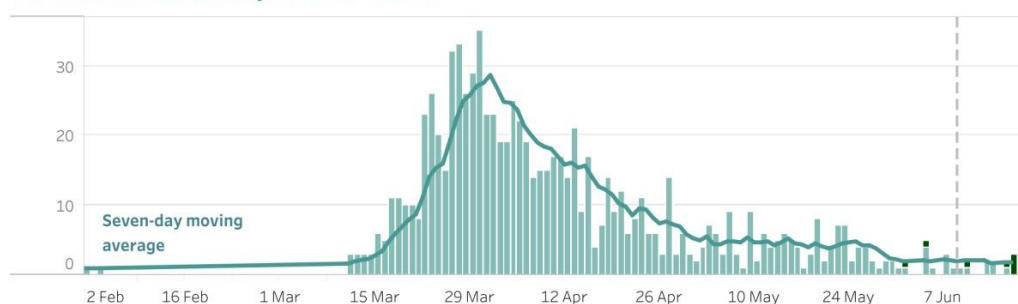

Notes.

1. The DOH is continuously validating the number of positive individuals as reported by the laboratories. When necessary, they are deduplicated. As such, the discrepancy with the number of confirmed cases do not necessarily reflect backlogs in case validation.
2. Please visit www.doh.gov.ph/covid19tracker for details regarding the testing output per laboratory.

CONFIRMED CASES BY DATE OF ONSET OF ILLNESS

CONFIRMED DEATHS BY DATE OF DEATH

Notes.

1. Bars with red colors indicate the actual date of onset or date of death for newly-reported cases.
2. In cases where date of onset of illness is unreported, date of specimen collection was used as proxy. Cases that do not have both are not accounted for in the date of onset histogram. As of this situation report, around 10% of cases have unreported dates of specimen collection and onset of illness.
3. Owing to delays in reporting, case counts after the dashed lines are still incomplete. Hence, we urge caution in interpreting data beyond this date. Rest assured that the DOH continues to work tirelessly to ensure the timely reporting of accurate data.

STATUS OF LABORATORY LICENSING

As of June 23, 2020

66	163	144	88%

*Facilities using GeneXpert machines included.

HIGHLIGHTS AND UPDATES ON COVID-19

As of June 23, 2020

- DOH has recorded **22,197 active cases** as of June 23, with the majority of the patients exhibiting **mild symptoms** (21,362; 96.2%) while the number of patients on critical condition is 23 or 0.1% of the total active cases).
- As of 23 June 2020, there are **3,243 healthcare workers** who have been infected by COVID-19, of which 2,370 have recovered, and 33 have died.
- As of reporting, **74,515 Returning Overseas Filipinos** (ROFs) have arrived (Land-based: 25,937; Sea-based: 48,578) in the country. Of this figure, 66,567 were released from facility quarantine (Land-based: 21,080; Sea-based: 45,487). Among the ROFs, 1,957 were confirmed COVID-19 (Land-based: 1,018; Sea-based: 939). Among the confirmed COVID-19 ROF, 539 are currently admitted (Land-based: 377; Sea-based: 162); 1283 recovered; and 1 died.
- As the country ushers into the New Normal era, **staying at home as much as possible is advised** despite quarantine measures being eased out in some areas. Those who need to go out for errands and/or work are advised to observe minimum health standards such as hand hygiene, proper coughing manners, use of face masks, and physical distancing.

BRAIN BREAK TIP

Importante ang pagpili ng salita. Sa halip na sabihing "mga kaso" o "mga biktima" ng COVID-19, gamitin ang "positibo sa COVID-19"; "nagpapagaling sa COVID-19"; o "namatay dahil sa COVID-19".

Iwasan ang pagpapalaganap ng mga salitang nagdudulot ng takot, stigma, mga negatibong pagpapalagay, at di makataong pagtrato sa mga taong positibo sa COVID-19.

f OfficialDOHgov @DOHgovph doh.gov.ph (02) 894-26843

BRAIN BREAK TIPS

Huwag isipin na may dalang COVID-19 ang frontliners.

Maaring pag-isipan nang masama ang frontliners dahil sa kalikasan ng kanilang trabaho. Dahil dito, mas magiging komplikado pa ang mahirap na nga nilang sitwasyon.

Sa mga ganitong panahon, mas napakaimportante ng suporta ng kanilang pamilya at katibigan.

f OfficialDOHgov @DOHgovph doh.gov.ph (02) 894-26843

Nagsusuo ng kumpletong Personal Protective Equipment (PPE) ang ating health care workers sa tuwing nangangalaga at nagbibigay serbisyo sa mga taong may COVID-19.

'Wag silang i-discriminate. Suportahan at pagkatiwalaan natin sila!

#BeatCOVID19

SAMA-SAMA NATING LABANAN ANG COVID-19!

f OfficialDOHgov @DOHgovph doh.gov.ph (02) 894-COVID

Araw-araw na nakikibaka ang health care workers laban sa COVID-19.

'Wag silang i-discriminate. Suportahan at pagkatiwalaan natin sila!

#BeatCOVID19

SAMA-SAMA NATING LABANAN ANG COVID-19!
