This Bid Bulletin will form an integral part of the bidding document.

Listed below are the corresponding modifications/changes and responses:

1. New Schedule of Activity

2. Response to PBs inquiry:

Particular	Inquiry (ies)	Response
Guarantee Letter and Replacement Instruction	PBs are requesting for a standard template/form for the said requirement and if the reckoning date of the guarantee letter should be upon receipt of delivery. Further, PBs requested to consider replacement <i>three (3) months</i> before expiry date when returned same in the commercial setting rather than six (6) months as stated in the requirements.	Regarding the format of the Guarantee Letter, the Pharmaceutical Division (PD) responded that there is no predefined template available. Instead, a letter from the supplier, affirming their commitment to replace the product, will be acceptable. The guarantee letter will be subject to approval by the end-user.

All other provisions of the bidding documents which are not affected shall remain in effect.
